IMPACT: State

Summary of Legislation: This bill provides that a Temporary Vehicle Delivery Permit is valid for 96 hours rather than for 48 hours.

Effective Date: July 1, 2001.

Explanation of State Expenditures: In calendar year 1999, 7,135 Temporary Vehicle Delivery Permits valid for 48 hours were issued by the Bureau of Motor Vehicles (BMV). Changing the duration of the permit to 96 hours will have little, if any fiscal impact on the BMV. The fund affected is the Motor Vehicle Highway Account which supports the BMV.

Explanation of State Revenues: In calendar year 1999, the revenue generated from the sale of the 7,135 permits amounted to \$33,892. These permits are for the purpose of transporting or delivering vehicles. Since each permit is valid for only one vehicle, there should be little or no change in permits sold. The funds affected are the Motor Vehicle Highway Account, the State License Branch Fund which supports the Bureau of Motor Vehicles Commission, and the State Police Building Fund.
